

## GROUP TESTS

**PENTIUM BEWARE?**  
Our first ever Athlon group test was a close run thing  
**p144**

## 144 AMD Athlon PCs

AMD with its new Athlon processor has taken on Intel at its own game and this time it's taking no prisoners. Jason Jenkins takes a close look at five Athlon machines to see how much punch they can pack.

**150** Atlas Meridian K7-600

**151** Carrera Octane M600

**154** Evesham Vale Athlon 600

**155** Mesh Matrix 600D

**160** Panrix Magnum 600

## 172 Inkjet printers

Everyone should have an inkjet printer sitting on their desk, but not everyone will need it for the same tasks. Nik Rawlinson looks at the different kinds available

### **174 Budget printers:**

Canon BJC-1000, Epson Stylus Color 440, Hewlett-Packard Deskjet 610C, Lexmark Z11

### **176 Small business printers:**

Canon BJC-6000, Epson Stylus Color 900, Hewlett-Packard 895CXi, Xerox Docuprint C15

### **178 Photo printers:**

Canon BJC-7100, Epson Stylus Photo 750, Hewlett-Packard Deskjet 880C, Lexmark Z51

## 192 20 Top Utilities

We have everything you need to keep your system healthy, useful tools for tricky jobs such as partitioning and backup, and utilities to help you get the most out of the web. Paul Begg, Roger Gann and Nik Rawlinson roll up their sleeves and start tinkering

- 194** Acrobat Reader, Backup Exec Desktop 98, ClipMate 5
