Faxback Service

Missed a feature or a review?
Try our 24-hour faxback service.

Updated every month, our easy-to-use Faxback service gives you instant access to a complete range of product reviews, features and workshops via your fax machine. To use the service, simply follow the instructions below. Calls are charged at 50p per minute at all times, with an average duration of four minutes. *Our service is available 24 hours a day, 365 days a year.* (The faxback service is not available outside the UK).

1 From the choices below, select the article(s) you wish to receive. Note the number of pages in the article.

2 Using the handset on your fax machine, dial 09065 600632. If you do not have a handset, press the fax machine's On Hook or Telephone button, then enter 09065 600632 on the keypad.

3 There will be a vocal introduction to the Faxback service which will ask you to enter the code of the article(s) you require. The voice will then ask you to press the Start/Send button on your fax machine.

4 The article(s) you have requested will then come through your fax machine.

IMPORTANT INFORMATION

For the faxback service to work correctly, you must be referring to the current issue of *Personal Computer World* and have your machine set to use tone dialling (you may need to switch your machine from 'pulse' to 'tone'). If you have any problems with the *Personal Computer World* faxback service, please call 0870 909 0113. This helpline is open from 9:00am to 5:30pm Monday to Friday and calls are charged at the standard rate.

Other articles are available for faxback. For a full list please enter the code 2000 (3 pages).
